

AUCKLAND/NORTHLAND REGIONAL COMMITTEE

NZ Bridge Restructuring

Thank you all very much for the response to my email of last week. I am very pleased that 68% of our member clubs responded with their views to the Auckland/Northland Regional Committee.

The Committee met on Sunday and discussed the views you submitted. It enjoyed the thought that had gone into some of the replies. The Committee has also had discussions with members of the Board and the Chairman of NZ Bridge, Arie Geursen, attended the meeting and clarified some of the issues raised.

We have been assured by the Chairman that the details of any proposal being considered will be distributed to all Clubs and a full consultation will be carried out at the proper time. Clubs will then have the opportunity to consider the proposal with all the relevant information in front of them. **(STOP PRESS:** Please note that communication from the Chairman has already been posted on the NZ Bridge website and attached to this email)

The Auckland/Northland Regional Committee sees its purpose as serving its member Clubs and, be assured, that it will continue acting in the best interests of the bridge players in its region.

Please don't hesitate to contact either me or any member of the committee for additional information or support.

Sue Brown
Chair
Auckland/Northland Regional Bridge Committee
