

AUCKLAND/NORTHLAND REGIONAL COMMITTEE

**IMPORTANT INFORMATION ABOUT THE NZ BRIDGE ANNUAL GENERAL MEETING TO
BE HELD ON SATURDAY 30TH SEPTEMBER IN HAMILTON**

Clubs will all be aware that the AGM of NZ Bridge will be held at the Congress Venue on the first Saturday of the New Zealand Bridge Congress.

This year, there are several important remits for Clubs to consider and vote on. Most importantly, several proposed constitution changes which will affect the governance of the game in New Zealand going forward.

These have all been sent out to Clubs well before the timeframe required to enable Clubs to consider and discuss.

To be eligible to vote at the AGM your Club must either have a delegate at the meeting or appoint a proxy in writing to NZ Bridge Secretary before the meeting. This proxy can then vote on your behalf.

I will be at the AGM and would be happy to act as a proxy for your Club. If you wish me to vote for you I will, of course, need to know exactly what questions you may have and how your Club wishes me to vote for them. This offer is, in no way, put forward to affect the voting in any way but is purely to make it easier for your Club to have its opinions heard should a member of your Club be unable to attend the AGM.
